Sydney Roosters Testimonial: MusclePharm

"The Sydney Roosters NRL team are proud to partner and use MusclePharm Supplements for the 2019-2020 NRL Season.

Supplements are a useful aid in the optimisation of our performance and recovery at the club. The MusclePharm products we use have been comprehensively batch-tested to attain Informed Choice certification, allowing us to offer supplements to players before, during and after exercise as safely as possible.

The Roosters staff and players love the taste and fully believe in the benefits of our MusclePharm-powered supplement program."
